

BAREFOOT RAW -

FOUNDATION MEMBERSHIP PROPOSAL

PROJECT DESCRIPTION

We are a not-for-profit organisation contributing to make positive change within the Mandurah and Peel Region Community for Men's Mental Health.

We have established a group committee, one of the first in the area, who have the motive to break the negative stigma around men's mental health. We are hyper aware that in many male dominated industries there is a certain stereotype to present as 'manly'. That there is no struggle or no task too big to complete individually. This naturally takes an emotional toll on men balancing work, life and well-being. We all know that men's mental health care is less accessible or talked about - however, we know that this task for Barefoot Raw, creating a safe space for men to open up about their mental health and seek necessary help, is no big task when similar committees can come together to support this cause.

WHAT WE DO SPECIFICALLY

- Host events with the intention of crafting a safe space where men can feel included and valued
- Ensure events are planned on a regular basis to accommodate for FIFO workers schedules and keep constant check ins with people who may be struggling
- Host social events that promote good health and wellbeing
- Have an online group chat for casual contact to be made. Men are able to suggest going down to the beach, coffee in their free time, etc.
- Coordinate social gatherings where families and kids are welcome to join
- Safe space online through social media as a constant reminder of mindfulness and inclusivity.

WHAT WE HOPE TO ACHIEVE WITH YOUR MEMBERSHIP

WHY WE WANT YOU ONBOARD

Your much needed help will be the start of something that will continue to produce positivity throughout the community.

We wish to raise awareness through marketing, advertising and community events. Your financial support gives us the leverage to grow our organisation to reach and raise as much exposure as possible. Along with bringing you amazing events to attend

Although your membership is optional, your support is what keeps these events and catch ups alive. You can look at this as an small investment into your personal health with great positive benefits

BAREFOOT RAW Membership Package:

What is Included:

- Entry to all BFR Catch Ups for the year
- Refreshments provided at BFR Catch Ups
- 10% discount for listed sponsors
